

Paul Lalley is a native of Montgomery County and grew up knowing he wanted to make a difference. It is why Paul decided to pursue a career in law. He obtained his law degree from the Dickinson School of Law in 1996. His practice has been focused on labor and employment issues for municipal and public school clients as an attorney with Campbell, Durrant, Beatty, Palombo and Miller in Pittsburgh. Paul was instrumental in persuading the delay in the implementation of new property tax assessments in Allegheny County so that taxpayers had time to challenge their assessments. In recommending his candidacy for the Commonwealth Court, the PA Bar Association's Judicial Evaluation Commission noted Paul's "writing skills are held in high regard, particularly his ability to clearly explain complex legal issues." Paul lives in Upper St. Clair with his wife, Jessica, and their two daughters.

We are very pleased to have Paul Lalley as guest speaker on behalf of all the statewide judicial candidates.

This event provides you with the opportunity to hear from the Republican Candidates on the Primary Ballot. As the Committee does not endorse candidates during the Primary process, it provides you with the chance to personally meet new challengers as well as incumbents. Candidates will be invited to speak and present their platform on issues pertaining to their race.

The Social will begin in the Lobby at 5:30 p.m. with refreshments prior to entering the banquet room. We hope this time prior to the event will serve you and the candidates well as a meet and greet.

Given the large number of anticipated speakers, we will begin our program promptly at 6:15 p.m. along with our meal.

The presidential race in the Fall proved a strong grassroots coalition and this momentum is essential to this election cycle as well.
